

BUIITEMS, also known as the Balochistan University of Information Technology, Engineering and Management Sciences, is a premier educational institution in Pakistan. Its foundations are built on principles of academic excellence, equity, equality, sincerity of purpose, and a forward-looking vision, operating as a community of professionals dedicated to preparing future leaders. Notably, the university has been declared the Global Hub for Sustainable Development Goal 8, which focuses on Decent Work and Economic Growth, by the United Nations Academic Impact. The vision of BUIITEMS is to be among the leading universities of the world, accessible to all, imparting quality education, and promoting cutting-edge research. Its mission is committed to providing quality education with a focus on research, equipping students to be productive members of society, and contributing to the socio-economic uplift of Pakistan in general, and Balochistan in particular. The leadership of the university includes Chancellor Sheikh Jaffar Khan Mandokhail and Vice Chancellor Prof. Dr. Khalid Hafeez (T.I.).

The university operates across several physical campuses with specific academic focuses. The Takatu Campus houses the faculties of Information and Communication Technology, Biotechnology and Informatics, Social Sciences and Humanities, Basic Sciences, and Engineering and Architecture. The City Campus is dedicated to the faculty of Management Sciences. The Chiltan Campus features research farms and laboratories related to Life Sciences. Additionally, the Regional Campuses, which include the Muslim Bagh Campus and University College of Zhob, offer courses in economics, computing, and management sciences.

Academically, BUIITEMS offers over 60 programs and innovative courses designed to prepare graduates for global challenges. The primary faculties include Basic Sciences, Engineering and Architecture, Information and Communication Technology, Life Sciences and Informatics, Management Sciences, and Social Sciences and Humanities. The university has a student body of over 11,000, an alumni network of over 10,000, and a faculty of over 700. BUIITEMS is ranked among the Top 10% in Asia by the QS World University Rankings, and 33% of its students receive financial assistance.

The institution holds ISO 9001:2015 certification and is affiliated with several international organizations, including the United Nations Academic Impact, the International Association of Universities, Principles for Responsible Management Education, the Association of Commonwealth Universities, the Asia-Pacific Quality Network, the Higher Education Sustainability Initiative, the Talloires Network, and the American Society for Quality. For student life and administration, the university provides various services such as scholarships, sports, physical and digital libraries, an LMS student portal, and student affairs. Administrative offices handle Quality Enhancement and Accreditation, Information Technology, Human Resource Development, Finance, Planning and Development, Communications, and Graduate Studies. In terms of research and innovation, BUIITEMS features an active Office of Research, Innovation and Commercialization, ICRMS, and publishes a Research Journal.

BUIITEMS hosts a diverse and energetic community of over 11,000 students pursuing academic goals across a wide range of disciplines. The university is committed to connecting students with dedicated teaching staff, a world-class library, and various co-curricular facilities to create a stimulating and supportive environment. The university environment is often characterized by its guiding quotes, noting that BUIITEMS is a community known for its excellence, and encouraging students to work hard and have fun.

The university provides categorized resources tailored to different student needs. For prospective students, it offers information on admissions and how to apply, fee structure

details, undergraduate programs overviews, and frequently asked questions. Current students are provided access to the Learning Management System Student Portal, scholarship information, career counselling, and student affairs services. General resources available to the student body include computer laboratories, research facilities, and access to both physical and digital libraries.

Campus life at BUIITEMS fosters a vibrant and colorful atmosphere, balancing hard work with fun, milestones, and achievements. The university organizes daily events, collaborative competitions, and large-scale celebrations that involve students, staff, and external visitors. Major flagship annual events include the Olympiad, the Quetta Literary Festival, and Home Coming. To keep students updated on these daily campus activities, the university features an integrated events calendar.

Additionally, the student portal provides easy access to various administrative forms and certificates. For identification and registration purposes, students can find forms for a Student ID Card, ID Card Renewal, Duplicate ID Card, Hostel ID Card, Alumni ID Card, Registration Card, and a Students Data Correction form. The available downloadable certificates include the Bonafide Certificate, Conduct Certificate, No Objection Certificate, and the Migration Certificate or Form. Finally, regarding fees and academics, students can access the fee structure as well as forms for Employee Dependents' Fee Concession, Sibling Concession, and Extra Semesters and Attempts.
